## SECTION A – What You Must Know Before You Become a Candidate

### Your Personal Responsibility as a Candidate

- 1.1 By nominating yourself as a candidate in ENSA's elections you agree to:
  - 1.1.1 take personal responsibility for ensuring that you understand and abide by ENSA's rules, regulations and policies for these elections.
  - 1.1.2 be held responsible for your own actions and for those of others acting in support of your campaign.
  - 1.1.3 be personally liable, including for any cost of repair or recompense, for any damage or injury caused during your campaign.
- 1.2 ENSA shall make every reasonable effort to answer any questions you may have about the election process; however, it remains your personal responsibility to ensure that you do not breach any rules or regulations.
- 1.3 Ignorance of the rules shall not be a valid excuse. "I didn't know" or "we weren't told..." will not be accepted. If you want to do something and you're not sure whether it is permitted, seek advice from the Election Officials first.

## Becoming a Candidate

- 2.1 To become an official candidate there are a few things you need to do:
- 2.2 Make sure you are eligible to run for a position.
- 2.3 Check that you meet the [eligibility criteria](#).
- 2.4 Write your manifesto, to be published on the ENSA Website, telling students what you would like to achieve if you win. (Check out our [manifesto writing tips](#))
  - 2.4.1 Your manifesto must not exceed 300 words. If it is more than 300 words, any excess will be cut off the end before it goes live on the ENSA website. We recommend writing this in Word, checking the word count and saving it before starting the online application form.
- 2.5 Make sure you correctly complete the [Online Election Candidate Application Form](#) by no later than 12pm on 20/02/2024. Late submissions will not be accepted.
- 2.6 Upload your manifesto and your photograph(s) to be used in ENSA publicity. You will be asked to upload these as part of the online application form.
  - 2.6.1 Photos should be as large/high definition as possible, ideally showing your full head and shoulders, against a plain background - similar to a passport style photograph, however, you are allowed to smile! (Remember this photo will be used in official publicity so think about the kind of 'professional' image you want to give)
- 2.7 Attend one of the Candidate Briefing sessions.
  - 2.7.1 Only 3 briefing sessions will be held: 3pm on 27/02/2024, 10am on 28/02/2024 and 4pm on 28/02/2024. If you are unable to attend, please contact [d.wright@napier.ac.uk](mailto:d.wright@napier.ac.uk)
- 2.8 Complete a Trustee Eligibility form when you are given one at the Candidate Briefing Session. You must declare that you are eligible to be a Trustee and declare any 'conflict of interest' you may have. (Don't worry, we'll cover this form in the Candidate Briefing Session)

## Basic Principals and Core Regulations

- 3.1 You and your supporters MUST:
  - 3.1.1 abide by the Election Rules, ENSA Policy and UK Law throughout the elections process. This includes [Data Protection law and policy](#).
  - 3.1.2 act in the interests of a fair election and treat other candidates, voters and election officials with civility and respect.
  - 3.1.3 be respectful of students' rights not to vote and to go about their business without harassment, including on campus and online.
  - 3.1.4 observe the deadlines, timetables and rulings set by the Election Officials.

### 3.2 You and your supporters MUST NOT:

- 3.2.1 do anything to put yourselves or others in danger.
- 3.2.2 make any attempt to influence students who are in the process of voting. Every member of the Association has the right to vote freely and in private.
- 3.2.3 campaign in any computer or library areas of the University campuses.
- 3.2.4 pass electronic devices to students with which to vote, such as phones, tablets, or laptops. Any appearance of these actions (or photo evidence of it) will lead to sanctions.
- 3.2.5 act to further your campaign by employing unfair advantage (e.g. using resources not available to others).
- 3.2.6 spend any of your own money or allow supporters to spend any of their own money on your campaign.
- 3.2.7 make criticisms of a personal or unsupported nature about other candidates.
- 3.2.8 (It is, however, legitimate to criticise any policy for which a candidate is standing, or to criticise a current office holder's record in office.)
- 3.2.9 criticise ENSA staff, NUS staff or University staff in your campaign.
- 3.2.10 deliberately mislead or make false declarations to Elections Officials.

### **Corrupt Practices**

- 4.1 Corrupt practices will not be tolerated by ENSA and will lead to your disqualification from the election.
- 4.2 Corrupt practices include:
  - 4.2.1 Giving, or making a promise of, any gift or inducement to, or for, any voter in order to procure their vote (e.g. alcohol, money, items of value or promises of positions or favours).
  - 4.2.2 Giving or paying for, wholly or in part, any food, drink or entertainment for any voter in order to secure their vote.
  - 4.2.3 Directly or indirectly making use of, or threatening to make use of, any force, violence, or restraint towards any voter or candidate, to induce or compel that person to vote or not vote, or towards any candidate and their supporters, in order to induce or compel them to refrain from campaigning.

## SECTION B – Definitions

### What election terminology means

- 5.1 Election Period – This is the period which covers all election activities, from the opening of applications until the results declaration. Election rules will be in force throughout this entire period.
- 5.2 Restriction Period – This is the period when the public activity of current Elected Officers is restricted (see 19.6). This period runs from the close of applications until the results declaration.
- 5.3 Voting Week – This is the period from opening of the polls until the results declaration. During this period students will be able to vote online.
- 5.4 Campaigning – This is considered to be any activity which promotes an election campaign and asks, or implies, that students vote for a particular candidate.
- 5.5 Sanctions – This refers to the actions that the Election Committee can take against a candidate as a result of breaching the election rules. You could think of this as the punishments for breaking the rules (see 22.9 and 22.10).
- 5.6 Campaign Budget – The amount of money, provided by ENSA, that each candidate is allowed to spend in relation to their campaign. There are strict rules about spending money and breaking these rules is a very serious offence (see Section C).
- 5.7 Legitimate Campaign Expenses – There are strict rules around what you can, and can't, spend your Campaign Budget on (see 7.10). Any expenses must directly relate to promoting your campaign only and must not be used to 'pay' your campaign team or supporters, whether in cash or with other items such as food, drinks or entertainment.
- 5.8 A 'Ticket' or 'Slate' – This refers to 2 or more candidates, running for different positions, teaming up and promoting each other's campaigns, as permitted within these rules. There are, however, some additional rules about working together (see 16), especially if any of the candidates are already Elected Officers with ENSA (see 19).
- 5.9 Elections Officials – These are the people who 'run' the elections, writing the rules, enforcing them and making decisions about what to do if the rules are broken. The Elections Officials can be University Staff, ENSA Staff and students (see Section F).

## SECTION C – Campaign Finances

To prevent any unfair advantage between candidates each candidate running for the same position will be allocated an equal 'Campaign Budget'.

### Campaign Budgets

- 6.1 You must not spend your own money on your campaign or allow your supporters to do so.
- 6.2 You will be allocated a Campaign Budget of £80 specifically and only to be spent on your election campaign.
- 6.3 It is solely your responsibility to ensure that you do not exceed the spending limit and that you only spend on legitimate items (see 6.10) to support your campaign.
- 6.4 Exceeding the spending limit or buying disallowed items is equivalent to spending your own money, which is a breach of these rules. Spending limits will be strictly enforced.
- 6.5 You must submit a list of all of your spending on a Budget Form, with receipts attached, to [d.wright@napier.ac.uk](mailto:d.wright@napier.ac.uk) at least 24 hours before close of polls. [Budget Forms](#) can be downloaded on our website.
- 6.6 Even if you have not spent any of your allowance, you will still be required to complete a budget form and submit it by the deadline for public scrutiny.
- 6.7 All candidate's budget forms will be published on the ENSA website for public scrutiny and challenge before the results declaration.
- 6.8 Failure to submit a budget form at least 24 hours before the close of polls; or exceeding the spending limit; or evidence of a candidate or supporters spending their own money on the campaign, will result in disqualification of the candidate.
- 6.9 Expenses will only be reimbursed by ENSA on production of receipts, up to the limit of your allocation.
- 6.10 Campaign Budgets may only be spent on legitimate campaign expenses directly related to your campaign. (The list is for guidance only and is NOT exhaustive. If you have any questions about campaign expenses, please contact the Deputy Returning Officer.)

## **Restrictions that apply to current Elected Officers**

By virtue of their position, current Elected Officers may have specific advantages during the election process which need to be mitigated to prevent any abuse of the power of their office and to 'level the playing field' between candidates. This includes the actions of a current Elected Officers to further their own campaign, support another candidate or to act to the detriment of any other campaign.

- 18.1 Elected Officers must not use e-mail addresses, mailing lists or any other listings, or accounts, which are used in connection with an ENSA role (i.e. anything that carries their title or is used to communicate with constituents/members) for election purposes. This applies to all Elected Officers, whether they are a candidate or supporting another candidate.

- 18.7 If a Full-Time Elected Officer is standing as a candidate, they must not campaign during working hours. Arrangements to take annual leave, if required, must be made in advance with the CEO. Leave will not be granted in retrospect without penalty. If Elected Officers campaign during the working day without taking leave, this will result in disqualification.
- 18.8 For the avoidance of doubt, current Full-Time Elected Officers are allowed to support other candidates or run on a 'ticket' or 'slate', however this must be outside of working hours and use of ENSA resources, in any form, is strictly prohibited.

## **SECTION F – Election Officials**

### **Responsibilities of the Elections Officials:**

- 19.1 All Election Officials shall maintain strict neutrality between candidates and provide a free and fair election process, aiming to ensure a 'level playing field' for candidates and preventing, or addressing, any unfair advantage by:
  - 19.1.1 publicising the electoral positions and receiving applications.
  - 19.1.2 creating a fair applications process and checking the status of nominees to ensure that they meet eligibility criteria.
  - 19.1.3 creating, disseminating, and explaining the rules of campaign to all election candidates.

  - 19.1.6 dealing with complaints and queries about the rules of campaign from candidates, and other students, and referring these to the Returning Officer, where appropriate.

  - 19.1.8 validating the count and organising the declaration of the results.

## Who are the Election Officials for this Election?

- 20.1.1 If the Returning Officer is absent or otherwise unable to fulfil their duties, an interim Returning Officer will be appointed, by the current Returning Officer.
- 20.2 Depute Returning Officer – this is normally an ENSA staff member who deals with the organisation of the election on-site and handles queries and ongoing complaints.
- 20.3 Assistant Returning Officers – these are normally ENSA staff members, who assist the Depute Returning Officer with the organisation of the election on-site and handle queries and ongoing complaints.
- 20.4 The Depute Returning Officer, and Assistant Returning Officers, have the authority to impose an interim sanction based on the available evidence and severity of the rule breach, pending referral to the Returning Officer for a formal decision.
- 20.5 ENSA staff, acting as Assistant Returning Officers, may investigate, and report, any potential breaches of the rules observed during their normal duties. You, and your supporters, must comply with any requests made by ENSA Staff members.
- 20.6 ENSA staff may be assigned to university sites during the campaign period to respond to any queries and to ensure conduct is in accordance with the election rules.

## SECTION G – Enforcement, Penalties and Queries

- 21.2 To be considered valid, your complaint must be in writing, on an official ENSA Complaint Form, citing the specific rule broken and providing specific evidence of the breach (i.e. a screenshot or print out of a Facebook post/tweet, photographs or videos).
- 21.2.1 [Complaint Forms](#) can be downloaded from our website.
- 21.3 Verbal complaints will not be considered. Only complaints submitted using an official ENSA Complaint Form will be considered.
- 21.4 You must not take steps to personally “remedy” an alleged breach or any other situation.
- 21.5 Multiple complaints must not be grouped together on a single form and each complaint must be submitted individually on a separate complaint form for every alleged breach of the rules.
- 21.6 Complaints must be submitted as soon after the breach as possible. Any delay in submission may negatively impact the consideration of the case by Election Officials.
- 21.7 Submission of a complaint will not normally cause a campaign to be suspended while complaints are investigated or decided.

- 21.8 Any complaints deemed to have been filed maliciously or vexatiously to damage another candidate's campaign, rather than to pursue a genuine grievance, may incur penalty to the candidate who submitted such a complaint.
- 21.9 The Elections Officials may punish any breach of rules and do anything considered necessary to ensure electoral fairness (i.e. 'to level the playing field' and 'address an unfair advantage' between competing candidates.), including disqualification of a candidate(s).
- 21.10 Election Officials may issue a warning for minor misconduct and/or take appropriate action to mitigate any 'unfair advantage' gained through a breach of the rules, however it is also possible for any breach of the rules, that has been deemed to have impacted the outcome of the election, to result in disqualification. validating the count and organising the declaration of the results.

## **Right of Appeal**

- 22.1 Candidates have the right of appeal against any decision by the Elections Officials.
- 22.2 Any appeal must be in writing, addressed to the Returning Officer, and submitted to either the Depute Returning Officer or the designated Assistant Returning Officer on campus, within 24 hours of the decision or sanction being sent to the candidate, or up to 1 hours after the close of polls, whichever is sooner.
- 22.3 The campaign will not normally be suspended while complaints are investigated or decided, so there is no advantage in delaying submission.
- 22.4 Any post-declaration appeal, against an election ruling must be lodged with the Chair of ENSA's Board of Directors, no later than three working days after the declaration of the result.
- 22.5 Post-declaration appeals will be dealt with in line with the [ENSA Constitution](#) (Schedule 4). During consideration of appeals, the declared results shall continue to be valid.
- 22.6 The Board's decision on an appeal shall be final.

## **Declaration of Results**

- 23.1 The results of the election shall not be declared until all outstanding complaints and appeals have been resolved. This may lead to a delay in announcing the results for individual, or all, positions.
